

# “Do-Over” your existing loan

We’re looking for Credit Union members with a vehicle or boat loan at another financial institution. We have a second chance option to save you money. Move your current loan to CWPCU: it’s just like a “Do-Over”. With your Credit Union’s lower rates, you will save money on an existing loan. Here’s an example of how this works:

	Current Loan	Credit Union
Balance	\$10,000	\$10,000
Rate	6.00% APR	5.50% APR
Payment	\$200.00	\$200.00
Months	58	57
Total interest	\$1,535.69	\$1,383.44
<b>Total savings</b>		<b>\$152.25</b>

Who couldn’t use an extra \$150.00? And it’s very easy to move an existing vehicle or boat loan over to CWPCU: just bring in or mail your vehicle title, payment book, insurance information, and income verification. There are no processing fees and we can finalize your loan in about 30 minutes. Wow, this is going to be one of the best “do-overs” you’ve seen in a while. Applications and additional information are available at [www.cwpcu.org](http://www.cwpcu.org).
