As an owner of Crow Wing Power Credit Union, you have a vested interest in our success. All profits are returned to you – the member/owners – in the form of higher rates on savings products and lower rates on loans and no or low-cost services.

Your family members can also reap the benefits of credit union membership. Tell them how the credit union has helped you and give them this referral form. If they join the credit union and we approve and process their loan request, you will receive \$50.00 as a “Thank you”. Spread the good news. Help your family members save on their loans and earn a little bonus for yourself.
